PROFILE

I am a +1 year experienced highly motivated web developer, recent graduate at Concordia bootcamp, looking for a new challenge where I can keep learning and add my values as a hard worker who builds confidence and trust at all levels.

EXPERIENCE

TAILBASE

Junior Web Developer

OCT 2019, LAVAL, QC

- Responsible to set up websites for new clients, using ColdFusion, CSS (SASS) and SQL, to achieve at least 15 launches per month.
- Help the support team to make changes to websites according to customer requests, reducing the response time.
- Add new features, make changes to the models and deploy them, respecting the tasks assigned to me in the sprint meetings.
- Manage tickets at JIRA/DevOps, always respecting the delivery time.
- Daily agile meeting.

QA Analyst

NOV 2018 – OCT 2019, LAVAL, QC

- Assessing and test user interface (UI) new websites functionalities, to increase sales and reduce further support tickets.
- Identify and document bugs to developers through JIRA tool.
- Follow opened tickets progress.

Data Entry Clerk

OCT 2018 – OCT 2019, LAVAL, QC

- Update and register appliances.
- Verify the accuracy of data.
- Edit and upload product images.
- Reply to internal and external customers.

SKILLS

HTML/CSS (SASS), JavaScript, React, Redux, Node, ColdFusion, SQL, MongoDB, GitHub and Agile methodology

LANGUAGE

English and Portuguese

INTEREST

Programming, travel and sports

Achievement: Made a spreadsheet with some NGO and government's programs that help small and medium companies with employee costs, thus being able to reduce the costs of some employees by up to 75%.

RETRIGO

Operations Director

OCT 2016 – OCT 2018, MONTREAL, QC

- One of those responsible for thinking and planning new ideas with a focus on the continuous improvement of our application.
- Test and report issues to developers and follow the results.
- Manage and report website statistics to maximize the return on our resources.
- Manage a team of 5 people.
- Daily agile meeting.

Achievement: Registered more than 200 retreats in 3 months on the website.

EDUCATION

Concordia University | Full-Stack Web Development
